

Hi Bill,

I just wanted to touch base with you and Thank you & Linette for the wonderful job you did at our wedding! Our friends keep commenting on how great our DJ was, how much good music was played & how much fun it was to dance! Our goal was to never have an empty dance floor - so thanks for helping us accomplish that. I hope you enjoyed playing all the music for us as much as everyone enjoyed dancing to it.

Minus the rain during our ceremony - I think everything else turned out great as well! Our Honeymoon was awesome too - a nice relaxing break from all the planning & excitement of the wedding. Now that we're back, I was just wondering when the video might be ready? No rush - I was curious since a few of my family members have started asking about it. If you have a time frame you could give me, or if you need anything else from us, please let me know.

Thanks again,  
Nicole & Erick
