

Hi Bill:

I've been wanting to email you for a week. We had the senior class trip this past weekend and have been very busy preparing for that. Anyway, I just wanted to tell you that you did a fantastic job with the prom this year. You handled the near collapse of the balcony very well. Thank you for getting on the mike so quickly to tell everyone to not panic and just come down and leave the building. It went smoothly and orderly due to your direction. We appreciate that very much!!

The principal was very pleased with your music selection as well and the kids have only said positive comments about what you did. Again, I want to thank you for everything!! You are the BEST!! I have given your name and information to next year's senior class advisors. I will not be involved in making any of the arrangements next year. I hope they will have you again. I know the location will be different!!

Also, I have a couple more orders for prom DVDs. I don't know if they are duplicates to what you took at the prom, but I'll send them to you by the end of the week and you can see if you have orders from them already. Please let me know if you have any questions.

Again, thanks for everything!!

George
