

16 June 2010

Dear Bill and Linette,

Words can't express how appreciative we are for your work in making Iladro's party such a fabulous event. The ambience was beautiful, our guests very special to us, but what makes a party "happen" is all about the music and you had that so together.

Our best to Ricardo, et al  
as well - They were amazing.  
With deep gratitude,  
Jois + Al Sauls
